

NEW CANVAS OF LIFE ORGANIZING COMMITTEE VOLUNTEER POSITION

OVERVIEW:

New Canvas of Life is a highly successful, annual fundraising event supporting the life-changing work of London Health Sciences Centre's Multi-Organ Transplant Program (MOTP)

Support for New Canvas of Life will be invaluable in expanding the MOTP research mission, ultimately improving the lives of transplant patients not only in London, but across Canada and internationally.

QUALIFICATIONS:

REQUIRED:

- Passion for organ donation and transplants (aimed at families and friends of transplant recipients and organ donors)
- Has the time to commit for several hours a month for a few months each year

PREFERRED:

(one or more of the following skills or experience)

- Experience in event organizing
- Volunteer experience in the London or SW Ontario community
- Fundraising experience
- Marketing/social media expertise
- Work with community partners to solicit sponsorship
- Background in the arts
